

**2015-2016 PROPOSED BUDGET  
RESPONSE TO REQUEST FOR INFORMATION**

**DEPARTMENT: Parks and Recreation**

**REQUEST NO.: 73**

**REQUESTED BY: Garza**

**DATE REQUESTED: 07/28/15**

**DATE POSTED: 08/12/15**

**REQUEST:** Please provide details regarding each type of programming provided at each recreation center in Austin including a description of each program and which populations are targeted, required fees for participants (if applicable), and the number of residents served by each program. Include identification of which programs are intended to serve vulnerable or low-income populations and whether these programs are able to fill the demand or if there are waiting lists or unserved residents for each program. Please also identify the Council District where each facility is located.

**RESPONSE:**

The following information provides a general summary of traditional recreation center programs. This summary does not outline programming specific to Cultural Arts Centers, Museums, or Nature/Adventure Based Program Centers. The attached back up information provides a more detailed response and is ordered by recreation center.

Even though most recreation centers' target market consists mostly of residents within the neighborhoods that the center resides in, there are two centers that do not follow this model and are considered "non-traditional." The Austin Recreation Center is a non-traditional recreation center and operates on a cost recovery model. The Department selected this alternative business model because its target market is not embedded in a neighborhood like other facilities. The McBeth Recreation Center is dedicated to providing programs and services to individuals with disabilities. Similar to the Austin Recreation Center, its target market is not embedded in a single neighborhood like other facilities.

Financial Aid is available to resident families for youth programs (including programs offered at Cultural Arts Centers, Museums, or Nature/Adventure Based Program Centers). Those families who qualify for financial aid pay 50% of the resident fee. For example, a youth soccer league has a resident fee of \$34.00, so a youth receiving financial aid will only pay \$17.00.

To date, 843 households have registered and are eligible for financial aid. Our registration records indicate that 561 households have taken advantage of the financial aid program and registered for 4,535 individual programs. Of the total 6,992 total program registrations, the 4,535 individuals receiving financial aid represent 65% of total youth registrations.

The number of residents/non-residents served varies by Recreation Center. The following table outlines the percentage of residents/non-residents registered program participants by Recreation Center:

Center	% Resident	% Non-Resident	Total%
Alamo Recreation Center (District 9)	96.2%	3.8%	100
Austin Recreation Center (District 9)	90.15%	9.85%	100
Dittmar Recreation Center (District 2)	97.6%	2.4%	100
Dottie Jordan Recreation Center (District 1)	83.87%	16.13%	100
Dove Springs Recreation Center (District 2)	93.43%	6.57%	100
Delores Duffie Recreation Center (District 1)	99.65%	0.35%	100
Givens Recreation Center (District 1)	95.53%	4.47%	100
Gus Garcia Recreation Center (District 4)	97.73%	2.27%	100
McBeth Recreation Center (District 8)	94.83%	5.17%	100
Metz Recreation Center (District 3)	95.45%	4.55%	100
Montopolis Recreation Center (District 3)	94.77%	5.23%	100
Northwest Recreation Center (District 7)	96.51%	3.49%	100
Pan Am Recreation Center (District 3)	90.89%	9.11%	100
Parque Zaragoza Recreation Center (District 3)	98.06%	1.94%	100
Pickfair Community Center (District 6)	99.46%	0.54%	100
South Austin Recreation Center (District 3)	91.01%	8.99%	100
Turner Roberts Recreation Center (District 1)	94.74%	5.21%	100
Virginia Brown Recreation Center (District 4)	94.15%	5.85%	100

Attached as backup is information that details the programming at each Recreation Center. This back-up information provides a detailed program description, enrollment information, and program fee information. In some cases, the enrollment numbers do not reflect unique program registrants but instead reflect the total number of registration options over the timeframe the program is offered. The Department is working to extract unique or unduplicated registration information.

The following definitions will help in reviewing the back-up information:

**Program Operator-**  
**PARD-**

Describes the entity responsible for the direct program service. The Parks and Recreation Department (PARD) plans, implements and evaluates the direct program service to the public. PARD expends Department resources to provide the service and if a fee is charged, PARD collects revenue associated with the program.

Contract Instructor - An independent contractor plans and implements the program via an agreement with PARD. PARD evaluates the program and communicates expectations with the contract instructor. All contract instructor agreements are a 70%-30% split; the instructor collects a fee for the program, keeps 70% of the revenue and give 30% of revenue collected to the Department. This mechanism for program delivery is utilized to provide desired specialized programming to the community.

Volunteer - An independent activity specialist plans and implements the program via an agreement with PARD and provides the program fee of charge to the community. PARD evaluates the program and communicates expectations with the activity specialist. This mechanism for program delivery is utilized to provide desired specialized programming to the community.

**Total Maximum Enrollment-** Describes the total number of registration spaces available for the program and includes all age groups. For example, a soccer program may have 4 separate age groups with a total maximum enrollment of 200 or a program may be offered 12 times per year enrolling up to 30 individuals per month for a total maximum enrollment of 360 participants.

**Total FY 15 Enrollment-** Describes the number of individuals enrolled in the umbrella program i.e. soccer. It is possible that a waiting list exists in a given age group without reaching the total maximum enrollment.

# Alamo Recreation Center

## Community Recreation FY15 Program Inventory

Completed by: Mark A. Valadez/Sarah Brose

Date: 7/30/2015

Council District: District 1

Program Name	Totally Cool Totally Art
Program Operator	PARD
Program Type	Youth Enrichment
Program Description	<p>Totally Cool, Totally Art (TCTA) offers free community-based arts education for teenagers who may not otherwise have such opportunities. TCTA promotes a philosophy centered on the benefits of arts education for teens and is much more than just an arts and crafts program. TCTA has taught media such as blacksmithing, computer animation, filmmaking, printmaking, installation, conceptual art, portraiture and urban painting.</p> <p>TCTA maintains a strong mentoring component both before the classes with recreation center staff and during the classes, where teens work alongside professional artist. Helping teens connect with role models in the community, the program reinforces their positive choices, gives them new experiences, builds respect and trust, keeps them out of trouble during high-risk after-school hours and improves their skills in creative expression, communication, teamwork and arts appreciation.</p>

# Delores Duffie Recreation Center

## Community Recreation FY15 Program Inventory

Completed by: Mark A. Valadez/Sarah Brose

Date: 7/30/2015

Council District: District 1

Program Name	Youth After School Program (Grades K-5)
Program Operator	PARD
Program Type	Out of School Time
Program Description	The Community Recreation After School Program is designed to foster youth development through active play and enrichment activities. The program curriculum includes a variety of supervised activities including arts and crafts, educational games, field trips, nutrition lessons, science projects, sports and more and will engage your child during after school. Additionally, specific time is allotted for homework and snacks. The after school program schedule will follow the Austin, Del Valle and Round Rock school calendars, and transportation is provided from school to the after school program at most centers.
Age Groups	5 - 11
Fees	\$94/ Resident \$132/Non-resident
Total Annual Maximum Enrollment	(10 enrollment periods at 24 spots) 240
Total FY15 Enrollment	123
Waitlist (Yes or No)	No
If yes, how many total?	
Serves a low income, at risk, or vulnerable population (Yes or No)	Yes

Program Name	Teen After School Program (Grades 6-8)
Program Operator	PARD
Program Type	Out of School Time
Program Description	Community-based programs for teenagers are essential for positive social and emotional development. Understanding the importance of relationship building, the Community Recreation Centers provide after school clubs that will keep your teen active, engaged and open to exploring new possibilities! Our programs emphasize career exploration and college readiness by providing opportunities for teens to demonstrate creativity, leadership and teamwork while participating in various activities, field trips and special events. To find the out of school time (OST) program that best fits your teenager, please contact the centers for more information about registration, scheduling and transportation options.
Age Groups	11 - 14
Fees	\$94/ Resident \$132/Non-resident
Total Annual Maximum Enrollment	(10 enrollment periods at 12 spots) 120
